

Election Day is Tuesday, November 3, 2026!

VOTE EARLY if you can.

In Oregon, registered voters will receive a ballot by mail and can return it via mail (postmarked by Election Day) or to an official drop box (by 8 p.m. on Election Day). If mailing your ballot, mail it by October 27 if you're able; afterwards, try to use a ballot dropbox or try to get your mailed ballot postmarked at a USPS office.

As Oregonians, we can help protect the rights, freedoms, and well-being of our communities by voting.
