

OUR MISSION

Take action together to protect and advance our civil liberties and civil rights for a more just, equitable, and caring democracy in Oregon.

Achieving Our Mission

The ACLU of Oregon builds political power in meaningful partnership with impacted individuals and communities to disrupt and defend against oppressive systems. Together, we educate and dispel misinformation, advocate at all levels of government, and fight in courts to protect and advance our democracy, civil liberties and civil rights.

OUR VISION

We envision a more just, equitable, and caring democracy in Oregon.

Together, we can create a democracy where all people and communities have:

- Fundamental freedoms and rights
- Access and power to engage fully in our democratic processes
- Inherent value, dignity, and autonomy

Together, we can foster a democracy that:

- Centers voices that have been historically silenced, excluded, and oppressed
- Provides opportunities and resources for all of its people to thrive
- Fulfills its promises to be a democracy that is of, by, and for all the people

BUILDING A MORE JUST, EQUITABLE, AND CARING OREGON — FOR, AND BY, ALL OF US

OUR WORK

2025 LEGISLATIVE SESSION

During this legislative session, we will advocate for policies that defend the fundamental rights and freedoms of Oregonians, support the rights of immigrants and refugees, and affirm the freedom to read without discriminatory censorship in public schools and libraries.

HOLDING POLICE ACCOUNTABLE

Working with community partners as clients, the ACLU of Oregon played a critical role in stopping the Portland police union's attempt to force ineffective and costly law-and-order policies onto Portland communities — as well as their attempt to roll back the independent Community Board for Police Accountability. We also are taking the Medford police to court for spying on progressive activists and storing intel on them in violation of Oregon law.

EQUAL RIGHTS FOR ALL CAMPAIGN

This historic constitutional ballot measure campaign — set for the November 2026 ballot — will ask voters to update Oregon's constitution to clarify that everyone has equal rights to make private and personal decisions about health care and marriage, regardless of one's sex, gender identity, or sexual orientation.
