ACLU Supporter –

We are facing what may be the most consequential election of American democracy. In preparation, the ACLU of Oregon – with ACLU National and affiliates across all states – has been working on contingency plans for a Trump 2.0 presidency. **These plans include ways to protect Oregonians if Trump uses the military against everyday people.**

During this truly scary time for our country, the ACLU of Oregon stands with tens of millions of people across our country – Democrats, Republicans, Independents, and others – who choose country over party. We refuse to bow down to fascists like Trump, Vance, and their billionaire funders who seek to destroy our democracy so that they can line their pockets, evade accountability, and hoard political power amongst the most powerful and wealthy.

What we do know is this: we cannot simply rely on elected officials to save us. This is why the work of the ACLU of Oregon – to keep our government accountable to the people – is more important than ever before.

With gratitude for your deep trust in the ACLU of Oregon,
